

A community survey on behalf of Strathnairn Development Company (SDC)

Impact Hub Inverness has been commissioned by SDC to produce a 10-year community action plan. The purpose of this survey is to find out what the community’s priorities, hopes and needs are for the next decade. The results will then be assessed to see which ideas have the best potential to be progressed.

More information on the CAP, and this survey, is given in the August edition of Strathnairn News, in Inverarnie Stores, and online via: <https://strathnairndevelopment.scot/community-action-plan/>. The latter document will be updated to reflect any important changes during the survey period.

The survey is designed to enable us to obtain the views of ALL INDIVIDUALS in the Strathnairn area, including children aged 11 years upwards. Both primary schools have been asked to provide an input from younger children. If you would like additional paper copies for other members of your household, please contact us on 01463 715533. Alternatively, copies can be downloaded from SDC's website: <https://strathnairndevelopment.scot/documents/>. Paper surveys can be handed in to the local shop in Inverarnie, or you can send it via the Freepost envelope provided. In the event that you do not have the Freepost envelope, please send completed surveys to:- Freepost RTTJ-HBSK-RRUU - SCBF, PO Box 5783, Inverness. IV1 9EW, marked "Community Survey 2021 Response.
